

Join us at AIDS 2016!

Good day everyone. My name is Donna Jacobs and I am the Regional Director for the USAID ASSIST Project based in Pretoria, Southern Africa. I am also the Circumcision lead for the USAID ASSIST Project. I would like to invite all of you to attend our satellite session at the AIDS Conference 2016 which is titled, "Scaling up Continuous Quality Improvement in Eastern and Southern Africa". Our Satellite Session will be taking place in Satellite Room 9 on Thursday the 21st of July between 6:30 and 8:30pm. We really are looking forward to having all of you there, as we will have having a variety of presentations from the Ministry of Health, various partners, donors, as well as ASSIST staff from all over the world. We really are looking forward to a memorable occasion. See you there! Thank you.

Welcome to our AIDS 2016 Satellite on Improving Quality of VMMC

Hi everyone. My name is John Byabagambi and I work as a Senior Quality Improvement Advisor with University Research Company. I welcome you to the VMMC Satellite Session at the IAS Conference. We'll be sharing our lessons and our journey in the VMMC CQI process from Uganda. We're excited that you'll be joining us and you are welcome to our satellite session. Thank you.
